Foreword

ALL the happy moments of an entire year of high school life could hardly be remembered unless gathered together in one book. The staff of the McKinleyite of 1940 hope that they have at least, with this collection of pictures and printed material, succeeded in bringing back memories of days spent 'within these stately halls'.

A TRIBUTE TO McKINLEY

The time has come for us to part
From classmates all so dear;
A time we've looked to all through school
Our graduation year!

Three long years we've walked your halls
McKinley's sons and daughters;
We've cheered for you and praised you as
The best of Alma Maters.

We've watched your team go down the field,
And fight to bring you fame.
We've seen them come out on the top
The Victors of the game.

The years we've spent within your walls
Have been a happy drama
And closing it with this last act
We view the panorama.

Class picnics, plays, and parties, too,
Events of sports and song
Have made our school days happier
As we have come along.

You've been our friend, McKinley,
In joy as well as sorrow,
Though today we leave these happy scenes
We have mem'ries for tomorrow.

FRESHMEN

FRESHMAN BOYS

Officers—Bob James, president; Betty Jane Anthony, vice-president; Bertha Smock, secretary; David Shaheen, treasurer.

Achievements—For the first time in some 15 years McKinley has had freshmen within its walls. These freshmen have established themselves as thorough going McKinleyites. Because they did not have the age or stature to compete in varsity athletics, the boys carried on games with other ninth grades in the city and won the city wide basketball championship for that division. They have also shown their interest in clubs and intramural sports.

FRESHMAN GIRLS

Parties—Early in the year the freshmen held a reception at which time they became acquainted with the school and their parents had the opportunity of seeing the school and meeting their teachers. Then in December the class enjoyed a "Tea Dance" on Friday after school. This was something new for McKinley and proved to be a success. The second party was held on May 3 and was attended by most of the class.

March

1. This little notation for today is dedicated to Evelyn Baker and to the fact that the senior section went to press. Amen.

4. The annual staff sat on the stage today at the sophomore-freshman assembly which gave Dick Walters a good chance to view the freshman cuties. He actually got one little girl to smile at him. Says Dick, "I like Doris, but oh, you kids!"

5. The students and teachers of McKinley High school have been deeply saddened by the death of Miss Janet McBane who had taught here for more than eighteen years.

6. Once again the Bulldog bowed to the mighty as Harvard vanquished Yale, 28-21.

7. Annual assembly for juniors. Miss Bair and Mr. Leist should get a copyright on those sales talks.

8. Our Bulldogs were victorious in their first game of district tournament play.

9. The Bulldogs repeated their success of yesterday to make a definite bid for a trip to Columbus.

11. A small per cent of the population is happy today. Those "darlings" who are going around with ecstatic expressions on their faces are seniors who made National Honor Society.

12. We have a date with the birdie today. Annual pictures are being taken, you know.

13. Senior Choral club sang today at Holy Week assembly with Lawrence Cunningham giving his all in some off-key notes.

14. The absence list was usually long today due to the influence of the basketball tournament at Columbus. By the way, we won our first game of said tournament.

15. Yippee! Spring vacation begins at 3:30! And we won again today in tournament play.

16. After defeating Massillon in the afternoon, we lost the state championship to New Philadelphia in the evening. Oh well, that trophy was too big for our trophy case, anyway.

25. And so back to school a bit bored by this "spring weather." It gets so monotonous wading through six feet of snow to get to school in the morning.

26. Three erudite McKinleyites, Lucille Dempsey, Sam Anastas, and Margaret Reiter won prizes in the American Legion essay contest.

27. A Mr. Parsons gave character sketches of Abraham Lincoln at senior assembly.

28. Tennis, golf, and track squads start their seasonal practice today.

29. There are a lot of weary bones from all that practice yesterday. And the sophs froliced at their second party of the year.

NATIONAL CLEANUP WEEK

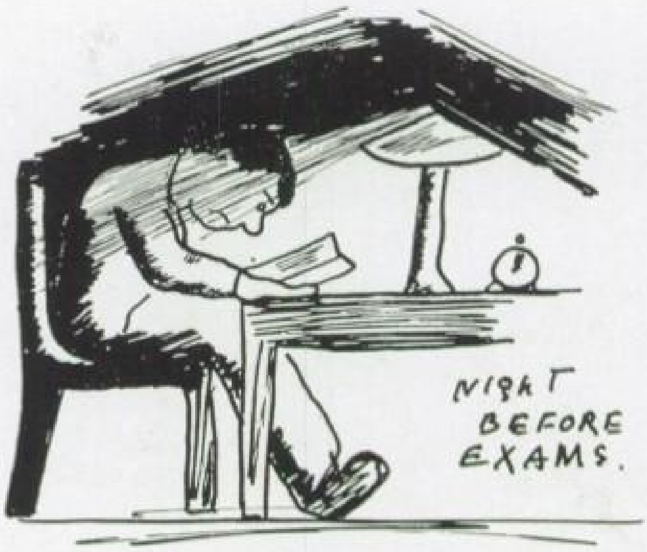
THE SPRING MUSIC FESTIVAL

APRIL

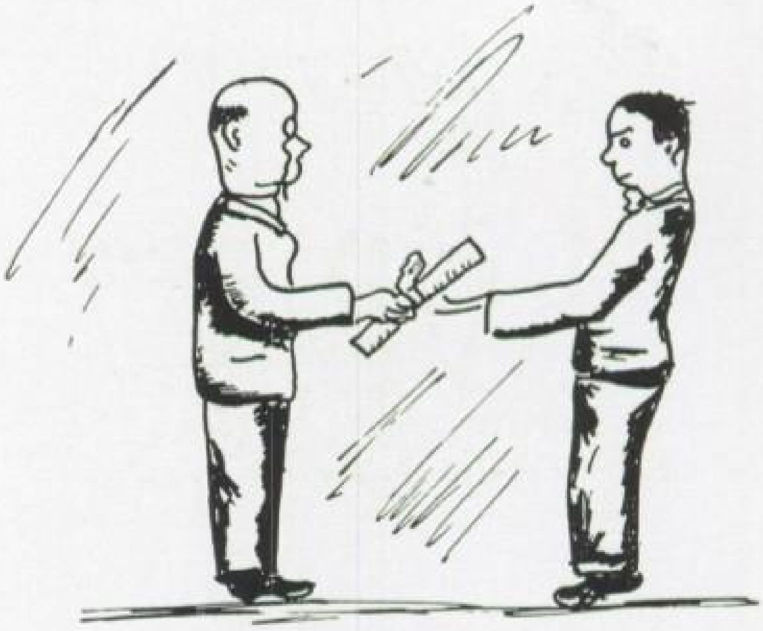
1. April Fool's day! And the seniors seem to be the leaders in pulling those cute April Fool jokes. Tsk! Tsk! Will they never grow up?
2. We are having beautiful Florida weather except for the heavy dew which knocked down several trees and washed out a few bridges.
3. Our esteemed teachers looked a trifle sleepy today. The fact, however, that the faculty party was held last night is sheer coincidence.
4. Students and teachers joined in wishing Mr. Pottorf a happy birthday today.
5. Boy and girl Boosters held their joint spring party in the music room.
8. The Hickory, the Hi-Y paper, came out today with the feminine elements at McKinley fighting for its possession.
10. B clubs meet tonight. So make sure that all those back dues have been paid up.
11. It snowed!! Imagine! April snow may bring May flowers, but that isn't the way we heard it.
12. We had a half day today due to the Northeastern Ohio Teachers' association's spring meeting in Canton. We like these meetings.
13. The teachers are still developing their minds by means of lectures, discussions, and the many features of the conference.
15. This is "clean-up" week in Canton. It gives one that feeling that "spring is in the air." Maybe we should do our spring desk cleaning, too.
16. "There's a song in the air" as the orchestra practices for the spring music festival.
19. Hi-Y held its spring dance at Moonlight ballroom.
20. And the seniors, lucky people, hold their third party of the year.
22. This should be called "national spring fever week." Well, at McKinley, anyway. Spirits are high and homework production low.
23. Colleges everywhere are holding high school days. Would that we could attend them all.
24. First of the new pins are on display by the National Honor group.
25. The last chance to take regular six weeks' tests. Next time it will be exams.
26. Still more tests! How we wish we only had two subjects at this time of the grade periods. Oh well, maybe we got through!
29. Can it be possible that we are beginning to get a little of that long delayed bright summer weather.
30. The last day of April! Short months mean less time until school is over. Then we'll get fired if we don't do our work.

May

1. This is May with flowers gay. And also report cards come out today.
2. All those notes, both sweet and sour, floating about the halls mean that this is school music week.
3. The Freshmen frolic at their second class party of the year.
10. District tennis, track, baseball, and golf meets are being held.
11. See above.
15. The long-awaited day has arrived and the McKinleyite is out.
17. The juniors are hosts to the senior class at the annual reception.
18. Those district meets are still going on.
24. And now it's state meets in tennis, track, baseball, and track.
25. More state contests today.
30. Memorial Day.



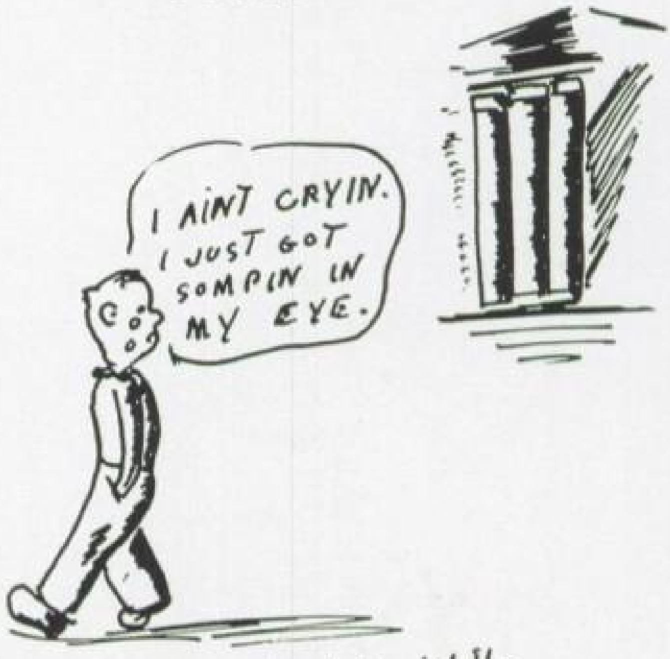
NIGHT BEFORE EXAMS.



GRADUATION CEREMONIES

June

5. The seniors suffer as rehearsals for class night progress.
6. Senior exams. Why do June examinations always seem so much worse than those in January?
7. Proud parents learn the secrets of their offspring's past as they meet teachers on class night.
9. There was not a single senior who failed to get a bit misty-eyed at baccalaureate.
10. Juniors, sophomores, and freshmen face the music to the tune of exams.
11. The underclassmen struggle on.
12. The seniors take leave of their Alma Mater and make their entrance into the waiting world.
14. The end. All's well that ends well.



I AIN'T CRYIN. I JUST GOT SOMPIN IN MY EYE.
